5. You may watch the videos with English or Spanish audio and with English or Spanish subtitles. Subtitles can be accessed by clicking on the button that says "CC" on the lower right hand corner. Videos with audio-descriptions for the visually-impaired will be soon available.

6. For each Activity video, we have also provided a lesson plan that can be viewed on the portal, or can be downloaded as a PDF. Materials you'll need in your classroom, the specific steps, summary, as well as extensions are also provided.
7. You may watch as many videos as many times as you would like!
8. We would love for you to fill out a short evaluation form - your feedback will help us communicate with the artists the impact of their work and help gain more funding for similar projects in the future. Please note the total number of individuals (students and teachers) that watched the videos so you can add that to the evaluation form.
